

In a Cornish Community Orchard. – Lyrics by Phil Heasman June 2025 (Final v 2)

G. C D G D Am G – D - G

1) How many apple-trees do you think you'll fi-nd. In a Cornish Community Orchard?

G. C D G D Am G – D - G

I'll tell you now of some of them I know and those I miss, I'm sure you will pardon.

G D G D G A D

Ashmeads Kernel, Bramley, Browns, Bloody Butcher, Chiver's Delight, Collogett Pippin, Cornish Gilliflower

G C G C D G

And there's: Hoary Morning, Slack-ma-girdle, to-o

D Am G – D - G

In a Cornish Community Or-or-chard.

G. C D G D Am G – D - G

2) How many-other fruit trees do you think you'll fi-nd. In an orchard on the Pen-with Peninsula?

G. C D G D Am G – D - G

I'll tell you now of some of them I know and those I miss, I'm sure you will pardon.

G D G D G A D

Sunburst Cherry, Kiwi, Pear, Medlar, Gage, Victoria Plum, Fig Rouge de Bordeaux, Asian Nashi Pear

G C G C D G

And there's: Damson Merryweather, Quince and Boskoop Glory

D Am G – D - G

In an orchard on the Penwith Peninsula.

G. C D G D Am G – D - G

3) How-many woodland-trees do you think that you will fi-nd. On the Penbeagle Nature Re-ser-er-erve?

G. C D G D Am G – D - G

I'll tell you now of some of them I know and those I miss, I'm sure you will pardon.

G D G D G A D

Alder, Be-ech, Downy Birch, Blackthorn, Elder, Grey Willow, Gorse and Hawthorn, Horse and Sweet Chestnut

G C G C D G

And there's: Privet, Rowan, Yew and Sycamo-ore

D Am G – D - G

On the Penbeagle Nature Re-ser-er-erve?

G. C D G D Am G – D - G

4) How many medicinal-and-useful plants do you think you'll fi-nd. In the wild or in the teaching ga-arden?

G. C D G D Am G – D - G

I'll tell you now of some of them I know and those I miss, I'm sure you will pardon.

G D G D G A D

Aloe Vera, Zanthoxylum, Dogrose, Vitex, Pennywort, Eleagnus Ebingi-i Co-o-ompacta

G C G C D G

And there's: Ribwort, Plantain, Winter-Parslane, Comfrey.

D Am G – D - G

In the wild or the teaching ga-arden.

G. C D G D Am G – D - G

5) How many fungi(s) are here to hang about with. Growing in and under-the-soil of the O-orchard?

G. C D G D Am G – D - G

I'll tell you now of some of them I know and those I miss, I'm sure you will pardon.

G D G D G A D

Ganoderma, Candlesnu, Parrot Wax Cap, Silver Leaf, Common Laccaria, Che-ese Polypores.

G C G C D G

And there's: Mycena, Velvet Shank, Amber Jelly Ro-oil

D Am G – D - G
